Dear Dr. *Pravit Kitidumrongsuk*

The Royal College of Orthopaedic Surgeons of Thailand and Thai Orthopaedic Association traces its history back to 39 years ago when a group of orthopaedists got together to form an orthopaedic club. We basically organize the annual meeting every year. In 2017, the 39th Annual Meeting of the Royal College of Orthopaedic Surgeons of Thailand (RCOST) will be held during October 20-22, 2017 at Royal Cliff Beach Resort, Pattaya, Chonburi Province, Thailand. The theme of this year meeting is "**Wisdom comes with Healthy Ageing**."

Upon this special occasion, you are honorably invited to participate this event as a guest speaker. The scientific committee would like to request you to be **Speaker** for the following assignment:

POSITION	DETAIL	DATE	TIME	ROOM
Speaker	Pearls and Pitfalls in Common Hand Fractures	Friday, October 20, 2017	11.30-11.45	Hall A1

I would be greatly appreciating your consideration on the above assignment. Just in case you have any suggestion, please do not hesitate to contact me. Please send your brief CV to us **before September 30, 2017** at this e-mail: aunchaleej@rcost.or.th.

Thank you so much in advance and look forward to receiving your generous support soon.

Yours sincerely,

Thipachart Punyaratabandhu, MD.
Chairman, the Scientific Program
