**Asian VEGA Expert Meeting & Knee Expert Training  
February 11 - 12, 2015 Bangkok / Thailand**

Dear Dr. Wilairatana,

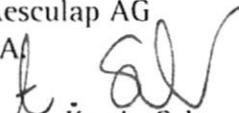

The Knee Expert Training is a proven platform to enhance principles and practical skills for Total Knee Arthroplasty under the guidance of experienced surgeons. Small groups will enable learning from each other during practical sessions in the Anatomical Institute. Here a realistic surgical atmosphere can be imitated to increase their competence in Total Knee Arthroplasty in a risk free environment.

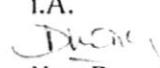

With the VEGA Expert meeting we would like to create an Asian VEGA Society to share with highly qualified users their experience with the VEGA System. Latest developments in Knee Replacement will be discussed during the Lectures as well.

We would be very pleased to invite you to participate and share your expertise as Chairman in our courses in Bangkok to be held dated February 11-12, 2015.

The venue of the theoretical sessions will be the Dusit Thani Hotel and the practical sessions in the Chulalongkorn University.

For your contribution B. Braun Aesculap Tuttlingen would take over your related travel costs for the duration of the training.
