

2014 Bangkok Hospital - Stanford 2nd Hip and Knee Instructional Course

August 6-7, 2014
Room 7R, 7th floor, Rehabilitation Building, Bangkok Hospital

Wednesday Aug 6, 2014

08:00 Welcome Message

Suthorn B.

08:05 Course objective

William J. Maloney

Session I THR – Principles of THR: What Are We Aiming To Achieve?

Moderator: Suthorn, Wallob

08:10 Alignment, Joint Stability, and Outcomes/Why Total Hips Fail

William J Maloney

08:25 Alignment and Implant Positioning

Christopher S. Mow

08:35 Choosing the Appropriate Implant and Fixation

Boonchana Pongcharoen

08:45 Head Sizes – Is Bigger Always Better?

Charlee Sumettavanich

08:55 Discussion

09:05 Navigation/Robotic Surgery/PSI in THR

Yingyong Suksathien

09:20 XL Poly – the Next Generation

Sarij Srisuparp

09:30 Ceramic on Ceramic in Primary THR/Current Status

Wolfram Mittelmeier

09:40 Metal on Metal /Current Status

Viroj Larbpaiboonpong

09:50 Discussion

10:00 Coffee Break

Session II THR – Contemporary Issues and Selected Circumstances

Moderator: Thana, Viroj

10:15 Approaches for THR

Boonyarak Visutipol

10:30 Cemented Femur

Sombat Rojviroj

10:40 Cementless Femoral Fixation in Primary THR –
My Preferred Stem and Technique

Wolfram Mittelmeier

10:50 Acetabular Side: How I do It?

William J Maloney

11:00 Discussion

11:10 THR After Proximal Femoral Fracture

Srihatach Ngarmukos

11:20 THR After Acetabular Fracture

Wallob Samranvedhya

11:30 Periprosthetic Fracture After THR

Suthorn B.

11:40 Current Status of Blood Management in THA and TKA

Is Tranexamic Acid the Answer?

11:50 DVT – Less of an Issue in Asia?

Thaninit Chotanaphuti

12:00 Lunch

Session III TKR – Contemporary Issues and Selected Circumstances

Moderator: Thaninit, Sarij

13:10 Perioperative Medical Optimization of the Total Joint Patient

Aree Tanavalee

13:25 Patient Outcomes and Satisfaction: How are we to be judged?

Thana Turajane

13:40 Update on Pain Management in TKR

Kam Danpongchareo

13:55 Evaluation of the Painful TKR

Vatanachai Rojvanit

14:10 Discussion

14:20 TKR in the Supremely Obese: Yes or No?

Sombat Rojviroj
