Dear Dr. Tawechai Tejapongvorachai,

The Royal College of Orthopaedic Surgeons of Thailand and Thai Orthopaedic Association traces its history back to 37 years ago when a group of orthopaedists got together to form an orthopaedic club. We basically organize the annual meeting every year. In 2015, the 37th Annual Meeting of the Royal College of Orthopaedic Surgeons of Thailand (RCOST) will be held during October 22-24, 2015 at Royal Cliff Beach Resort, Pattaya, Chonburi Province, Thailand, a world-class seaside resort. The theme of the Meeting is "**Harmony of ASEAN Orthopaedics.**"

Upon this special occasion, you are honorably invited to participate the event as a guest speaker. The scientific committee would like to request you to be **Speaker** for the following assignment:

POSITION	DETAIL	DATE	TIME	ROOM
Speaker	Cervical Myelopathy: I think Posterior surgery is good & safer	October 24, 2015	15.30 - 16.15	Hall A1

Thank you in advance for your kind acceptance to be the **Speaker** of the above session and we look forward to receiving your favorable response soon.

With compliments and best regards.

Yours sincerely,

Thipachart Punyaratabandhu, MD.
Chairman, the Scientific Program
